Presidents Message

Hello fellow flyers.

Looks like the weather can't make up its mind. There were some great days with mild temps and light wind and then pouring rain and gale winds. As we move into March, I'm hopeful the weather cooperates.

Remember when you are at the field flying, you must either put your AMA card in the board or have it attached to yourself. I am the first to admit I have gotten out of this habit, but our lease with the county mandates this. I have put my card in my transmitter box so I won't forget it and have been trying to get it out each time I fly. In addition, make sure to call out your takeoff and landing intentions in a voice that everyone on the flightline can hear you. This makes for safer flying for everyone.

In March, we have a busy schedule. On the 8th we have our Pylon Racing Workshop for all of you who think they might want to participate in our 4 Warbird races this year. You must have a current AMA and bring your own aircraft. Contact Greg Lane for more information.

On the 21st – 23rd the field will be closed for the California Capital Airshow at Mather Airport. The field will reopen on the 24th.

During the field closure, we will have our first workday of the year on the 22nd. More info to follow.

On the 29th we are having our first STOL (Short Takeoff/Landing) competition. Contact Steve Nickerson for more information.

That's all for now. See you at the field. Be safe and have fun.

Jeff Montrose

Vice President: Ryan was unable to attend.

Treasurer: Steve Brown, went over the club financials. Dues are steadily coming in for 2025, but we have a ways to go to get the membership count back to last year's numbers.

Membership: Steve Nickerson, stated that there are 74 paid memberships currently. As a reminder the 2025 dues/budget was based upon 121 paid memberships for the 2025 calendar year.

Safety Officer: Sergio was unable to attend this month's meeting due to a prior commitment.

Events Director: Gary was unable to attend.

Publicity Director: Robert asked regarding the upcoming events so he could update the field entry events board. The first event (non-event as the club isn't closed) is the warbird training on March 8th. There is a second (non field closing) event on 3/29 organized by Steve Nickerson, the STOL competition (see website for details under events). Also, The Big Kahunas' warbird race is on April 5th and 6th.

Meeting adjourned at 6:56 PM

****This Month's Safety Notes from Sergio****

- **Members needs to be wary of anyone who is not a member, but coming in to use our site and are doing things that could jeopardize it. Previously, a non-member launched a rocket at the field and caused a grass fire. *Per the SAM Board, none of the members should be granting permission for non-AMA members to use the site for any type of flight activity. Furthermore, if visitors have AMA, they should be paying day use and be signed in by a member for any flight activity.***
- **Basic Safety issues - *Be considerate and do not fly close to others who are not flying, but are working in the field, on the airfield and/or mowing.*** Please fly safely and accordingly.
- Old batteries needing to be disposed are to be given to one of the Board members for proper disposal or you take them home and dispose properly. **Do not throw them away in the trash bins at the field.**
- **Please remember to put your AMA card up on the Board prior to flying.** Fly with a friend...it's more fun and safer. Reminder: Make sure your AMA for 2025 is current and up to date.
- A friendly reminder, **No Flying Over the Pit Area.**
- **Those with Electric Planes,** please arm your planes on the startup tables instead of the benches or on the starting line and NOT under the enclosure.
- Please note: **There is an extreme need for communication on the flight line.** **There have been a couple close calls due to lack of communication. Coming out, landing and crossing the runway should be called out anytime more than one pilot is on the flight line.**

DO YOU HAVE A VALID AMA CARD?

Remember: Our By-Laws and the County of Sacramento require a current AMA Card to fly at the S.A.M. site. Also did you know that your current status as a **member requires a valid AMA card?** If you do not have a current AMA Card in your possession or proof in the form of a fax or e-mail from AMA, **do not fly.** If you fly without AMA membership, you will be in violation of our rules and may be suspended from flying at the S.A.M. site. Contact the AMA at 1-800-435-9262 for membership when paying via credit card.

S.A.M.-Antics SUBMITTALS

Deadline for submissions to the S.A.M. Antics is the 28th of each month. Please send articles as Word text or as text in an email to the Newsletter Editor, at specialkidteacher@comcast.net. Submittals may be edited for content and length.

FLIGHT INSTRUCTORS

Are you new to R/C flying? Or perhaps you need to brush up or even just want to talk with one of our "Pro's." S.A.M.'s corps of Flight Instructors stand ready to help you. You will usually find at least one of them at the flying site on Tuesdays or Fridays.

You may call **Jim Lichtenberg** our Flight Instructor Coordinator at **916-718-4979** or e-mail at rcflyer999@comcast.net and he will arrange for the assistance you need. If **Jim** is not available, you can contact the Assistant Flight Instructor Coordinator, **Ron Davies** at **916-682-7902**. Or you can call our Flight Instructors directly.
